

Resume  
**George W. Privett, Jr., M.D.**

---

**OFFICE ADDRESSES:** Lexington Diagnostic Center & Open MRI, 1725 Harrodsburg Road, Suite 100, Lexington, KY 40504, Phone 859-278-7226

**EDUCATION**

**HIGH SCHOOL:** Slaton High School, Slaton, Texas, Graduated 1960

**COLLEGE:** Texas Technological College (Now Texas Tech University)  
Lubbock, Texas, BA-Chemistry, Minors-Biology and German Graduated 1963

**POST-GRAD:** Baylor University College of Medicine, MD, Houston, Texas  
Graduated 1967

**INTERNSHIP:** University of Kentucky, Chandler Medical Center, Lexington, KY, Rotating 1967-68

**RESIDENCY:** University of Kentucky, Chandler Medical Center, Lexington, KY,  
Internal Medicine, 1968-69  
Neurology, 1969-72  
Chief Resident in Neurology, 1971-72

**FELLOWSHIPS:** Hospital for Sick Children, Great Ormond Street, London, England, Pediatric EEG, 1971  
  
Visiting Fellowship in Magnetic Resonance Imaging, The Foundation for Radiology Research and Education, at UCLA 1986.

**MILITARY SERVICE:** US Army, Womac Army Hospital, Ft. Bragg, NC  
Rank, Major Medical Corps  
Chief of Neurology Service 1972-74

**PRIVATE PRACTICE:** Clinical Neurology and Neuroimaging, 1974-1998  
Clinical Neuroimaging, 1998 to present

**UNIVERSITY APPOINTMENT:** Assistant Professor of Neurology, (Voluntary) University of Kentucky, Department of Medicine, Division of Neurology,  
July 1997 to Present

**CERTIFICATIONS:** AMERICAN BOARD OF PSYCHIATRY AND NEUROLOGY:  
Certified by examination in Neurology, May 1975  
  
AMERICAN SOCIETY OF NEUROIMAGING:  
Certified by examination in Computerized Cerebral Tomography (CT), November 1978  
  
AMERICAN SOCIETY OF NEUROIMAGING:  
Certified by examination in Magnetic Resonance Imaging (MRI), March 1988  
  
FELLOW, AMERICAN ACADEMY OF NEUROLOGY:  
Fellow Status Awarded June 8, 1996

**LICENSURES:** TEXAS, 1967  
KENTUCKY 1968

**PROFESSIONAL ORGANIZATIONS:** American Academy of Neurology, 1976 to present  
American Society of Neuroimaging, 1977 to present  
American Medical Association, 1974 to present  
Kentucky Medical Association, 1974 to present  
Lexington Medical Society, 1974 to present

## **RESEARCH AND PUBLICATIONS**

Privett, G., G. Wise, H. D. Jameson, et. al., "A Trial of Ether Anesthesia in the Treatment of Subacute Sclerosing Pan-Encephalitis," University of Kentucky, Chandler Medical Center, Department of Neurology, 1970 (unpublished).

Pampiglione, G., G. Privett, A. Harden, "Tay Sachs Disease: Neurophysiological Studies in 20 Children." April 1974: Dev. Med. Child Neurol., Vol. 16(2):201-8.

Privett, George W., Jr., MD, "Clinical Studies in the use of Somatosensory Evoked Potential Monitoring During Scoliosis Surgery." Presented at The Seminar on Advanced Neurological Electrodiagnosis and Monitoring, Lexington, KY, 1983 (unpublished).

Privett, George W., Jr., MD, "MRI of Congenital Anomalies of the Spine," MRI Decisions , May/June 1990: Vol. 4(3):24-33.

## **PRESENTATIONS AT STATE AND NATIONAL MEETINGS**

Seminar on Advanced Neurological Electrodiagnosis and Monitoring, June 3-4, 1983, Lexington, KY. Nationally attended course sponsored by George W. Privett, Jr MD, Director, Neurological ELECTRODIAGNOSTIC Laboratory, Good Samaritan Hospital. Presentations on "Somatosensory Evoked Responses Monitoring During Spinal Surgery," and "Introduction to 24-Hour EEG Monitoring in Neurology."

Kentucky Academy of Trial Attorneys, Annual Meeting, Louisville, KY, Summer 1988. Presentation on "MRI Practices and Principles."

American Society of Neuroimaging-Annual Meeting, March 1990, San Diego, Faculty MRI Course. Presentation, "Congenital Anomalies of the Spine (MRI and CT)"
